

XVIII Bhopal Seminar 2020

Population and Social Protection in India

Bhopal, Madhya Pradesh, India

22-24 January 2020

The *MLC Foundation* and the '*Shyam*' Institute will be organising the *XVIII Bhopal Seminar 2020: Population and Social Protection in India* from 22-24 January 2020 at Bhopal. Presentations, discussions and deliberations at the *XVIII Bhopal Seminar 2020* will be organised around the following sub-themes:

1. Population transition in India in the context of social protection needs of the people
2. Social protection in India in the context of Sustainable Development Goals
3. Implications of future population growth in the context of universal social protection in India
4. Gender dimensions of population and social protection
5. Migration, urbanisation and social protection
6. Social class dimensions of population transition and social protection
7. Integration of population factors in social protection schemes and programmes
8. Population-based monitoring of universal social protection

XVIII Bhopal Seminar 2020 is directed towards a discussion on the relevance of population dynamics in the realisation of universal social protection in India in the context of United Nations Sustainable Development Goals and national development goals. *XVIII Bhopal Seminar 2020* aims at analytical review of the prevailing population dynamics in the context of social protection requirements of the people. Discussions at the *XVIII Bhopal Seminar 2020* are expected to contribute to the understanding of population dimension of social protection in India.

Participation

Research papers are invited for presentation at the *XVIII Bhopal Seminar 2020* on any of the sub-themes outlined above or on any other contemporary issue related to population and social protection, especially, in the context of human development.
