

XXI Bhopal Seminar 2023

Contemporary Issues in Demography and Development in India

Bhopal, Madhya Pradesh, India

22-24 February 2023

MLC Foundation and 'Shyam' Institute will be organising the **XXI Bhopal Seminar 2023: Contemporary Issues in Demography and Development in India** from 22 through 24 February 2023. Presentations, discussions and deliberations at the **XXI Bhopal Seminar 2023** will be organised around the following sub-themes:

1. Future population growth
2. Age structure transition
3. Fertility and family planning
4. Mortality and health
5. Migration and Urbanisation
6. Demography of poverty
7. Demography of productivity
8. Social, economic and cultural dimensions of demography and development

The **XXI Bhopal Seminar 2023** is directed towards discussion on issues related to demography and development in India in the contemporary context. The **XXI Bhopal Seminar 2023** aims to increase the understanding of the current demographic and development interactions in India through evidence-based analytical research. Discussions at the **XXI Bhopal Seminar 2023** are also expected to enhance the understanding of demography and development interrelationship in India.

Participation

Original research papers are invited for presentation at the **XXI Bhopal Seminar 2023** on any of the sub-themes and on any other issue related to demographic and development in India. Research papers to be presented at the **XXI Bhopal Seminar 2023** should be based on the empirical evidence derived from either household surveys or registration system or service statistics and not on anecdotal or analogical experiences.
